

DPAC MEETING - DEC 1 @ 7PM

CALLING ALL PARENTS AND CAREGIVERS

Come to the DPAC AGM and support your school community!

President

Vice President

Treasurer

Members at Large

The position descriptions are included in the DPAC newsletter and posted on the DPAC bulletin board.

Please attend the AGM and election meeting on December 1 @ 7pm

Community

When you enter our school you can see a glimpse of the support that DPAC provides to our school community. Green spaces, smart boards, the Maker Station, library supports, classroom supplies, emergency preparedness supplies, playgrounds, special events, contests, and displays! These are only a few examples of the contribution that DPAC makes to enhance our children's school experience, develop community and provide the school with opportunities that better our children's school lives!

Support

DPAC is facing a huge barrier to continuing with the amazing activities it has always provided. We need parents to take Executive positions on the PAC! If no one volunteers to support and lead, we could find ourselves without a DPAC.

Please take a moment to think about how you can support DPAC. Gather your friends and come out to the meeting on Dec 1! You may find a volunteer position that you can do! Some positions can be shared and we can find ways that we all feel like we are contributing without being overburdened. We need help, support and contributions of time to continue with the amazing community that is Doncaster Elementary. Please Help.
