

DONCASTER PARENT AUXILIARY COUNCIL NEWSLETER

A Note from DPAC

I've heard it a thousand times; It takes a village to raise a child. For me it is really true, I have relied on friends and family to help with childcare and I rely on the Doncaster Community to shape the mind of my 3rd (soon to be 4th YIKES) grade student. The Doncaster Community is who our children recognize as leaders and helpers, DPAC is always looking for more helpers. We have two short months left of school but still require help from the community to volunteer. I believe everyone has something to offer this great school, if you haven't had the opportunity yet please consider being part of the village and helping out at the year end dance or attend our next meeting to see what other opportunities we have.

-Alexis, VP DPAC

School Supplies

School Supplies Fundraiser online by May 31, 2015! (Deadline extended)

Order your school supplies and support your school in one online order! We have partnered with Monk Office to simplify shopping for school supplies. Visit Monk's custom website to make a secure online order or just to learn more about the program:

<http://bts.monk.ca>. For more information please visit <https://doncasterpac.wordpress.com/school-supplies/>

- May 22nd – Rainbow Day
- May 26th – DPAC Lunch
- May 27th – City Track Final
- May 29th – Jump Rope for Heart

Bike to School Week May 25-29

We invite Doncaster families to join us in celebrating bike to school/work week! Get active and bike/scooter/walk to school. There will be a friendly competition among classes and prize draws throughout the week. Thanks to *Mac's Cycle, Frontrunners, Performance Bicycles and Cobbs Bread* for their generous support of this event!
