## THE CARD PROJECT is back this Fall!

The Card Project will turn our children's art into unique greeting cards!

The Doncaster Elementary students are once again participating in this exciting fundraiser. They have already completed their special art projects!

Every child will receive a free greeting card that showcases their own art. The back of the card is customized with their name and grade.

Look out for your child's card coming home in early November.

Families will have the opportunity to order online. You can order more of your child's card as well as notebooks and sketchbooks with your child's art on the cover.

This is a wonderful, creative fundraising initiative for our school. Priority orders will be ready for delivery by November 27.

By the way, the cards and notebooks make great gifts!
