## Parent Ed Night

The **Approachable Adult** presented by Island Sexual Health.

**January 25th at 6:45pm on Zoom.**

The goal of this 1.5 hour workshop is to support adults in their role as sexuality educators. Participants have the opportunity to explore positive sexuality and become more comfortable discussing sexuality with the youth in their lives. Childhood sexual development, teaching tips, vocabulary, and resource lists are included. Additionally, participants are encouraged to understand how their own values, beliefs, religion, and culture influences sexuality education.

**A Zoom link will be circulated the day before the workshop.**
